I. OFFICE:

As you can see below, the staff processed 417 VR's for October. These came via Cherokee Vote from various community events and the Tulsa State Fair. The staff and I are is still keeping up with pulling deceased and old ABRF's from the central file.

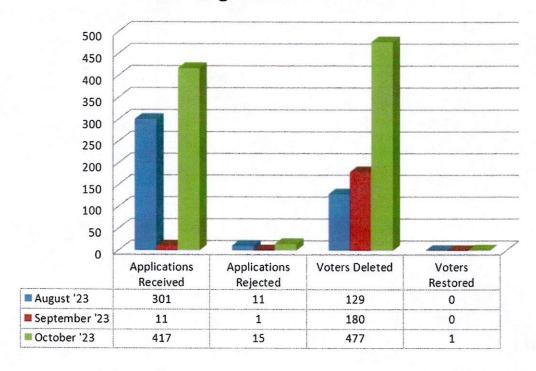

Staff Meeting was on October 17th. Pam attended and we had great discussions on the new Infor System, Chronicle updates and our server back-ups. I emailed the meeting summary and have a copy in your binders.

We had Rule's Committee on October 26th. Councilor Tehee inquired about redistricting, but Speaker mentioned having more information to share with her. Councilor Kidwell asked about an end of election report. I did follow up with him after the meeting and his question was more towards legislation updates and policies rather than specific numbers so we will get our information to them on that when they ask for it.

October 10-2023 Directors Report

Much of the same worked on the unassigned voter lists by county. Was able to attach several to the appropriate street segments. Also updated missing information not in our data base like their approval date their first voter registration form. This information will help to know if the voter is a 07 voter who wishes to remain in a jurisdiction they chose before the at large councilors were established. This will also let you know if they are an under 25 first registration living at large that selected an in district location to vote while they are living at large. Found a lot of deceased voter still in Tribal citizenship and as registered voters. They will be sent to Tribal Citizenship to be verified and then they will send back the list that will allow us to remove them from our records. This is a process that I will continue into November.
