Old Business:

Chairwoman Shawna Calico asked for any items in old business to which there were none.

Current items of Business were presented for discussion.

a.) Consideration and possible action regarding Voter Registrations and Absentee Ballot Requests:

Attorney Harvey Chaffin reminded the Commission of policy of ten or more and/or suspicious applications be sent to the Attorney General’s office and that we had done that in regard to thirty-three (33) voter registration applications with the same address. Discussion was held regarding the recommendation from the Attorney General’s office as well as the research done by the commission and staff. After discussion, Rick Doherty made a motion which was seconded by Randy Campbell to reject all thirty-three (33) voter registrations in question and send a rejection letter to those citizens, with thirteen (13) of those citizens getting a letter stating they are still eligible to vote at the polls and their previous voter registration will stand, denying their absentee application. The motion was approved by all commissioners.

b.) Consideration and possible regarding Candidate Financials:

After review of the March financials and the February revisions, upon discussion, a motion was made by Carolyn Allen and seconded by Rick Doherty to send a copy of Section 46 of the Election Law in an email letter format to those candidates with March deficiencies stating the deficiency
and to those candidates who have not submitted February revisions. The motion was approved by all. A list of those candidates is attached to the minutes. (Attachment 1)

After review of financials, discussion was held regarding those who submitted their financials after the 15th, making their financials having been received late. A motion was made by Rick Doherty and seconded by Randy Campbell to send a certified letter to candidates David Walkingstick and Jim Cosby of a fine of $100 assessed to each accordingly, pursuant to the law regarding late financials. The motion was approved by all commissioners.

c.) Consideration and possible action regarding notice to At-Large Voters:

Discussion was held regarding the At-Large Ballot having been previously printed with the name of Wanda Hatfield as an At-Large candidate. Due to the election timeline and statutes of the Law, the ballot was previously printed prior to the disqualification of Wanda Hatfield as a candidate for the At-Large council seat. The timeline did not allow for reprinting of ballot to remain in compliance of Election Law timelines. A motion was made by Rick Doherty and seconded by Randy Campbell to place a Notice in with the ballots being mailed to At-Large candidates regarding Wanda Hatfield’s name on the ballot. The Notice will read:

NOTICE

Notice is hereby given to voters that Wanda Hatfield has been disqualified as a Candidate for the 2019 General Election and any voters for At-Large Candidate Wanda Hatfield will not be counted or considered.

The motion was approved by all commissioners.
